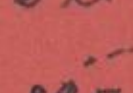
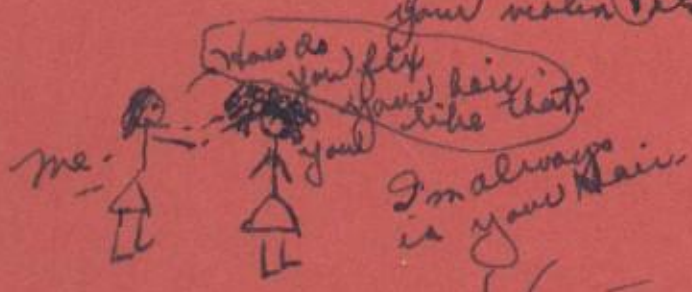
MINNEWAUKAN

My darling Mugge.

Here we are again, writing long notes in each others annual. I really don't know what to say though. Just a few reminders. Remember the milk battle at Broadway, cheating in a Few tests, (ahem!) + giggling, laughing + eating ice cream, candy, chewing gum, cakes, sundaes, malteds etc. (My goodness, you'd think I was a saleswoman. I hope you can read this mess!-

I wonder if you'll ever forget this line "Mugge, have you got your Geometry + History outline done?- Can I loan it to ya. See, thanks a lot Mugge." "You're not mad, are you? Exse Intelligas?- Ya how He dare- I sure hope we'll continue to be intimate friends as we are now. I'll finish this essay in Orchestra- Ah- yes, Sweet Music for the little pigs- you know "Stinks"- Isn't this AWFUL: BORSH!!- Remember the Chemistry lab entering English 3rd Hour. I almost had to bring a flashlight to school to see anything. Now, I guess it wasn't quite that bad, but it's lots of fun to exaggerate (misspelled probably) - I'm in orchestra now- I think I'll open the window.





Jane
Ohhh! Sport!
Glee Club + me singing new note + now another + another + another +

Marguerite

Dear Peggy:
Is it small girl and one of my best friends! We've gone all through school together and I should forgotten especially the 6th grade. Best of luck on you next year Okay- that is if I'm still kicking - Marty

Hello mugg
We have gone through three years of toil but I have enjoyed knowing you + enjoyed every minute with you!
Vicky Ashenbach

Dear Mugg,
Best of luck to a swell pal, in all ways. Such as sending little short combs helping me with geometry + history, etc. I'll never forget how swell you've been to me.
(Betty Albrecht

P.S. I also mean it about the dances + parties.
Good luck + a happy + successful year.
Sincerely,
Joan

Dear Muggs
well - mugg
could write a lot
but I don't think
we want me to & would
want to - we had loads of
to your a swell girl - Remember
that pledge! you better not break it
else --- Remember the basket ball game
madison - (T o B (Hat)) sweep's old car - it's been
we went wolfing!! (what a day was that?) (think 2
(A ---- B 2nd) do - oh yes)
day we mean the day in the gay city of madison -
the way - I'm going down (A ---- B 2nd) it kills me -
probably will) Remember I'd say not
place - Oh no! I'd still will
like a lot of fun will mugg - well it
a treat but a lot more want to write
looked like plenty to write the swell times
home plenty to write the swell times
so I'll thank you now for your home -
showed Bernie Herf & ot see you sept 4 -
Bye now - Love to Kiss etc -
Evan

Baraboo High School

Dedication

To the Baraboo men in our armed forces who are fighting to preserve our schools and homes and other institutions which are a part of our democratic way of life, we sincerely dedicate the 1943 Min-ne-wau-kan.

Our School Board

These five efficient men meet with Mr. Willson on the second Monday of each month to unravel the various snarls which appear in our intricate school system. Among their various other duties, they choose our faculty, balance the school budget, and select and purchase new equipment.

These men have a thorough understanding of students and their wants and needs, and we are grateful to them for their unselfish giving of their time and effort.

Best wishes, to one of the "inseparable three".

Charlotte Hein

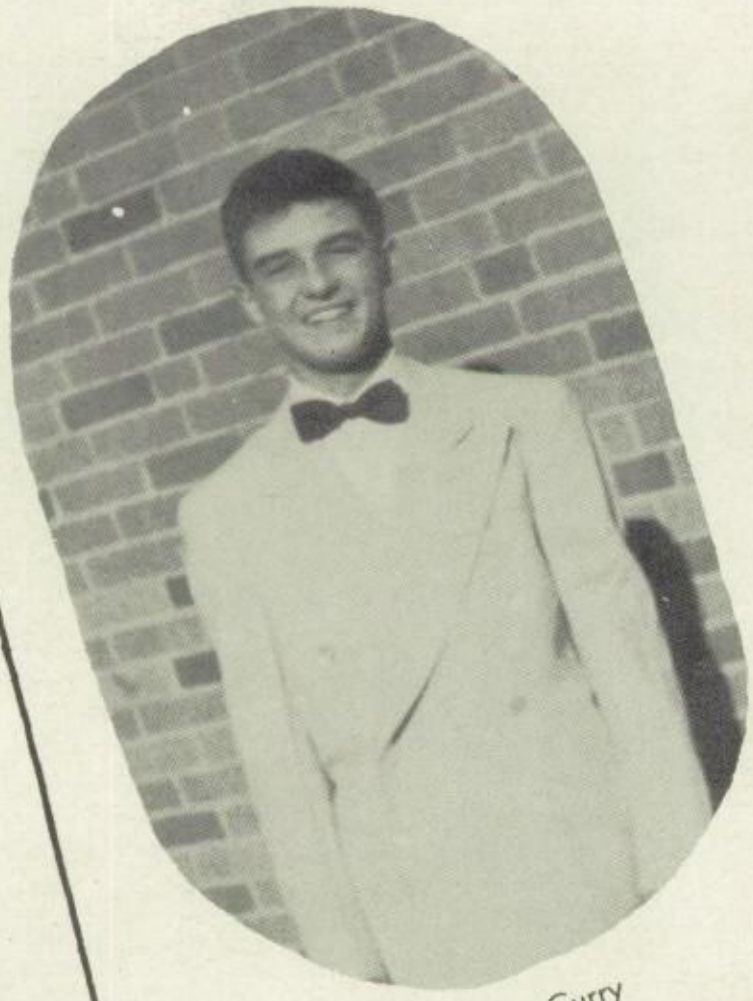
George Arndt

Valedictorian and Salutatorian

A thumbnail sketch of our scholastic leader, Charlotte Hein, reveals that she is active in a number of school activities. Among these are G.A.A., Annual Staff, orchestra, and school treasurer. Charlotte would be happy with a bowl of chili, hot fudge sundae, and records by Tommy Dorsey, sentimental gentleman of swing. Greer Garson is her favorite actress and pale blue her favorite color. Her pet peeve is an amateur on the violin.

Runner up, George Arndt, does not devote all his time to studying. He has been an ardent supporter, as well as the treasurer, of the Barateen, a club for students. Like most men he likes a nice thick steak but for the duration George will settle for spaghetti. George is definitely not a long hair as he prefers Sammy Kaye and swing to the classics. Tennis, bowling, and pool occupy most of his spare time. Brown is his favorite color and Pat O'Brien, his favorite actor.

Marty on front page



Bob Curry

Martha Felgen

Prom King and Queen

His Majesty the King, Bob Curry, monarch of the Junior Prom, dreams about a thick steak smothered in onions with a side order of French Fries and Hedy Lamarr. In the good old summertime you'll find Bob with a brassie and a ball, pursuing his favorite sport, golf. Harry James and his sweet trumpet are tops with Bob although Glen Miller runs a close second. Incidentally, light blue is his favorite color and Mr. Smith his pet peeve.

As time goes by, Martha Felgen will be remembered as the lovely Queen of the Prom of '43. Marty's idea of paradise is a gleaming dish of orange sherbet and a night of dancing to the music of Harry James. Her favorite color is yellow while John Payne holds first place as a leading man. Some of her school activities are band, Thalia, and G.A.A.

Junior Class

Shortly after the beginning of the school year, the Junior Class elected their officers. They are: President, Bob Weiske; Vice-President, Martha Felgen; Secretary, Marjorie McGilvra; Treasurer, Charles Sarahan. Also, they elected Miss Jeanne Mueller to assist Mr. Scott as class advisor.

The purpose of the class play given in the fall is to raise money for the prom; and this year they were very successful. They presented a Henry Aldrich play, "What a Life." It was a very good performance, under the capable direction of Miss Mueller.

The Junior-Senior Prom in the spring was held in the gym as usual, and decorated by the Juniors. One of the local orchestras played for the occasion.

The finale of every school year is commencement. A traditional custom is that the Juniors decorate for this. After completing a very full year, they also accomplished that task very well.

Sophomore Class

This year's Sophomore Class contains new faces among the old. To the newcomers, and the last year's Freshmen, the Senior High School holds a great fascination. For the first days the poor Sophomores were lost among tradition and custom. Soon, however, they found that they were rapidly becoming a part of the Senior High student body, and ceased to lose themselves between classes.

Good Luck Carol Rotzoll

The Senior High offers many extra-curricular activities, almost all of which have a place for Sophomores. Only a few of these are available to Freshmen. Now the Soph's have a chance to distinguish themselves.

This year the officers for the Sophomore Class are: President, Harold Pierce; Vice-President, June Schilstra; Secretary, Dorothy Campbell; and Treasurer, Otto Baumgarten. Mr. Heinze is the class advisor.

Student Council representatives are as follows: Mr. Brown's Homeroom, Oscar Thompson; Miss Enright's Homeroom, Sandra Gollmar; Miss Hackett's Homeroom, Dorothy Ann Campbell.

With these efficient officers, the Soph's should make this year's class the best one yet.

Freshman Class

The Freshman Class shows promise of being a very socially prominent class. The student body chose very efficient officers with Robert Hess, President; Herbert Harpold, Vice-President; James Stoeckmann, Secretary; and Fred Cone, Treasurer. This was unusual as all their officers were boys. Jane Morton and Lloyd Schaefer are the Student Council Representatives and Miss Evert is their advisor.

The class is proud of their three cheerleaders. They are peppy little Nancy Lincoln with those two flashing brunettes on each side, Lenore Felger and Ann Bresnahan.

The Freshman Class is active in nearly every activity including Band, Pep Club, Latin Club, Glee Club, Boxing, F.F.A., G.A.A., Football, and Basketball.

This class is bound to be one which we'll hear a lot about in the future.

Eighth Grade

The eighth grade has increased in size this year. It is divided into two classes, the home rooms of Miss Voight and Miss Blake, a new comer.

The eighth grade has participated heavily this year in all kinds of recreation. They have participated in Band and Junior Chorus and athletics. The girls have G.A.A. and the boys have boxing, basketball and football.

The eighth grade is also doing its part in the war effort. Every day during home room they drink a bottle of milk to help keep their bodies strong and fit. Once a week, on Tuesdays during home room they put all of their spare money into stamps and bonds instead of wasting it.

The eighth grade has chosen Marilyn Nelson as its representative to Student Council.

Seventh Grade

The promotion into the Junior High School of the Seventh Grade has brought many new experiences for its members. There are seventy-seven members in this grade. Frances Bartholomew is the student council representative. The class officers are: President, Nancy Ailes, Vice-President, Eugene Weston, Secretary, Althea Steele, and Treasurer, Margaret Kane. The advisors of the class are their three home room teachers: Mrs. Andrews, Miss Wareham, and Mr. Willard.

The members of the Seventh Grade are very active in the several extra-curricular activities. Included in these are: Junior Chorus, Band, Orchestra, G.A.A., and Junior High Athletics. Many of the students buy milk each week and have played an important role in boosting the total of the stamp and bond sales.

Baraboo High School Football

Baraboo High School's Gridiron Gladiators were conference contenders throughout the entire '42 season. Under the capable direction of Coach Paul Krueger, the Baraboo boys earned a first division berth in the newly organized "Southern Ten Conference."

The locals dropped their initial performance to a strong Edgewood team. Recovering from their bad start the Baraboo eleven won three straight tilts, as they turned back Ft. Atkinson, Sparta, and Reedsburg. At this point Coach Krueger's Warriors were in a three way tie for the conference lead.

The second set-back of the year came at a critical moment, for it dropped Baraboo into second place. The locals surged back to defeat Wisconsin Dells and Monroe.

The last game of the season held the fate of the Baraboo team. This was the traditional Armistice Day clash with Portage. Portage took an early lead, but at half-time the score was tied. Baraboo fought vainly to stop the opposition, but they pushed across another six points in the remaining moments of play to take the game and the title.

Basketball

Baraboo won its opening game from Prairie Du Sac by a score of 27 to 19. Following this opener, Baraboo went into a hard luck streak which was not broken until the Blue and Gold trimmed Stoughton by a score of 35 to 28. It was in this game that Johnny Meyer set the new conference record by scoring 23 points!

The following week the team avenged a previous one-point setback by taking a five-point decision from Richland Center. The locals continued their winning streak by taking a 29 to 24 victory from the Badger Preps of Madison, and in its last win of the year, Coach Krueger's Circus City Cagers avenged another one-point defeat by taking Wisconsin Dells to the tune of 35 to 26.

Johnny Meyer was third in conference scoring with a total of 123 points. Second high for Baraboo was "Puss" Harmel and "Brud" Page was third.

Track and Boxing

The Baraboo Track Team coached by Supt. G. L. Willson won the Triangular meet, lost the Invitational to Wisconsin High, but won the sectional meet at La Crosse. It was in this last contest that J. Mead placed first in the 100, 200, and discus, thus giving Baraboo a splendid victory. J. Mead and H. Slaback both placed in the state. C. Hill was elected captain of the 1942 squad.

This year about fifty boys, under the coaching of Mr. Brown, reported for boxing, in the biggest and best season in our school's history. Under coaches Brown and Gilbert, they all put up a swell fight in the ring. Under the Legion's sponsorship, the boys pound it out and prove it takes brains, brawn, and careful coaching to make good boxers. Let's all cheer for "Brown's Bombers."

Golf and Intramurals

In the 1942 season of the Baraboo golf team, they tied for fourth place in the new Southern Ten Conference. Although defending the 1941 state championship title, they placed only 14 in a field of 33 schools. The B.H.S. Cup was won by Harlan Page with the score of 153. Dick Arndt was runner-up with a score of 174.

Intramural basketball, managed by Mr. Smith, was again held this year. The four teams taking part were: the Second Ward Rockets, the First Ward Wolves, the Freshmen, and the Farmers, known as the Aggies. The Rockets finished on top.

Annual

Since everything is patriotic now, it was decided to have "victory" the theme of the 1943 Min-ne-wau-kan. In it we have attempted to show the part our high school students are playing in the war program. All through the year the boys and girls have been robbing their mother's pantries of old pots and pans, donating big sister's last pair of silk stockings to the army for parachutes, practicing First Aid bandaging on little brother, and giving our spare time to helping the ration board. The girls have given up nail polish so that they may roll bandages for the Red Cross, and now the boys refuse to treat their dates to anything more than a coke so that they can buy more war stamps a week, and that is a good enough reason for the girls.

The Annual staff sincerely dedicates this 1943 yearbook to our boys in service who are collecting Japs instead of scrap and who are sacrificing more than nail polish and chocolate sundaes.

All of the Min-ne-wau-kan's cartoonists for this year are new. R. Kunzelman is the new addition to our photography staff. He is working with P. Isenberg and D. Sorg who are old hands at snapping pictures of unsuspecting people. Rachel Heffel is our efficient editor who works in coordination with G. Arndt, N. Fredman, M. Mossman, and H. Parks.

We all want to extend our sincere thanks to Miss McDonald, our advisor, who has patiently struggled with us through the pages of the Min-ne-wau-kan.

Thalia

Each year twenty new members are voted into Thalia. They were initiated with formal induction services at the city library, followed by the usual informal initiation the next day.

The following members were elected to lead the club: President, M. Greenhalgh; Vice President, M. Mandt; Secretary, Z. Anderson; Treasurer, C. Hirschinger; and Student Council Representative, M. Crane. Miss Jeanne Mueller was chosen as the new advisor to assist Miss Johnson.

We took part in the Thalia-Ag Plays and gave many book reviews during the year.

Hi-Y

Every Thursday night one of the chapters of the local Hi-Y clubs holds its potluck supper and stag session in the old Home Economics room. Guest speakers are invited to several of the meetings and they educate the fellows in various ways.

Hi-Y operates a second hand book store and sponsors several school dances. We share a sleigh ride with the Thalia girls and annually hold a Father and Son banquet.

In order to inform the community what the purpose of Hi-Y is we hold a formal Induction Service in one of the local churches. This beautiful and impressive candle-light ceremony is enjoyed by the community.

Junior Class Play

"WHAT A LIFE"

"What a Life" is a very appropriate title of the play presented by this year's Junior class. Written by Clifford Goldsmith, it is the play originally produced by George Abbott, which introduced Henry Aldrich to the public.

Henry finding himself in the middle of trouble attempts to find a way out. From here on anything can happen and does.

David Holaday as Henry gave an excellent interpretation of his role as did all the members of the cast.

Under the direction of Miss Jeanne Mueller and with the co-operation of the cast, make-up and stage crews, the play was a complete success.

The School's War Effort

Like other schools throughout the nation, Baraboo High has adopted a program which will aid the government in its war effort.

Much valuable time is lost in Army and Navy training camps in getting the men into top physical shape. To eliminate this costly training period, our school has employed a compulsory physical education program for all Seniors and all Juniors 18 years old. The boys have an extensive course in calisthenics, obstacle courses, hand-to-hand combat, wrestling, and boxing—all of which conditions them for life in the armed service. The girls are also taking an extensive gym course to strengthen themselves for the many harder tasks which they will undoubtedly face in the future.

The Army and Navy have long complained at the lack of knowledge in mathematics which their men have. To remedy this, "refresher" courses in arithmetic and algebra were given the Seniors. It was thought that the students were mostly rusty, so, instead of employing an extensive program, a simple review was used to refresh them on fundamentals. The Juniors were given a review course in English grammar to enable the boys to interpret Army orders and to correctly give commands themselves.

The boys taking agriculture and adults in night classes were taught how to save and repair valuable farm machinery and ways to increase farm production. In the summer, the department will aid in placing farm help.

All through the year the purchase of war stamps and bonds was high. The students from all the schools bought about $11,500 worth of stamps and bonds from September first to February first.

It can truthfully be said that our school's contribution to the war effort has not been small, and we are all proud of the part we have played.

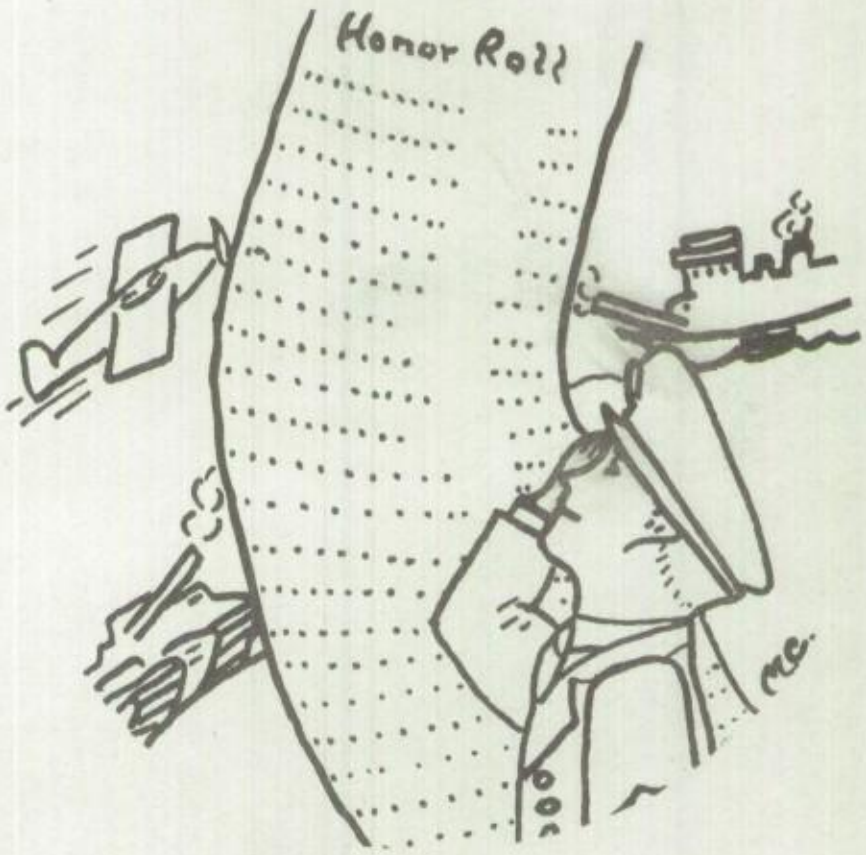
Student Council

The north study hall of the Senior High School is the scene of many an important meeting. For it is here that the Student Council holds its meetings the first and third Mondays of every month.

A representative is elected from the homerooms and various organizations of the school. These representatives meet to discuss and solve the problems arising within the school. With the aid of their competent advisor Mr. Garner Smith, they have worked out a system which has been very helpful in reducing the number of detentions received by any student. Another protege of the Council is the "Club Broadway."

The officers for this year are: President, Betty Stanley; Vice President, Herbert Cady; and Secretary-Treasurer, Zolena Anderson.



The Student Council has been very effective in sponsoring war drives in the high schools. They have sold tags for the Red Cross and introduced "Defense Stamp Day" in every homeroom. As a new project, the members are collecting the names of all the boys in the service who have attended Baraboo High School. They will post these names on an Honor Roll and then encourage the students to correspond with the boys.

Forensics

Forensic activities in the Senior High consist of dramatic readings directed by Miss Mueller and extemporaneous speaking and orations directed by Miss Arveson. Miss Ewert directs the Junior High students participating in Forensics. The elimination and district contests are held early in April.

The Victory Forensic's Club was organized this year to replace debating. The purpose of this program is to train students to gather information, to encourage them to think honestly and objectively on the basis of such information, and to express themselves effectively in private and public discussion.

G. A. A.

G.A.A. is an organization for girls who are interested in athletics. The two high schools have separate G.A.A. clubs. They participate in many sports. At the head of each sport is a captain. The captains are: volleyball, Joan Schult; basketball, Jean Harnish; baseball, Lola Von Eitzen; tennis, Francis Russ; and bowling, Virginia Zantow. The Junior G.A.A. captains are: Nan Lincoln for the Ninth grade and Ann Luce for the Eighth grade. The girls have parties, dances, hikes, and this year they are planning to have archery and square dancing. They have never had this before but it is expected that a large group will participate.

Business meetings are held once each month. The organization is under the supervision of the Physical Education teacher, Miss Janet Nee.

The officers elected this year are: for Senior G.A.A.—President, Doneen Hall; Vice-President, Marjorie Mandt; Secretary, Phyllis Zimmerly; and Treasurer, Marguerite Stoeckman. For Junior G.A.A.—President, Sandra Stekl; Vice-President, Marjorie Campbell; and Secretary, Lenore Felgen.

F. F. A.

Future Farmers of America or F.F.A. as it is commonly known is a national organization. The group is self-governing under adult guidance. Present officers are: President, Victor Rehr; Vice President and Student Council Representative, Frederick Karg; Secretary, Lowell Ahrensmeyer; Treasurer, Leo Wieglow; Reporter, Ralph Zastrow; Sergeant-at-Arms, Eugene Bassett; and Advisor, Mr. Heinze.

Their social activities include a program of three one act plays given with Thalia. It was recently decided to provide their officers with jackets.

Latin Club

Latin Club had an exciting start this year with election of officers. The following were chosen: Consul, Carol Hirschinger; Aedile, Landon Risteen; Legatus, Glenn Quale; Praetor, Jane Morton; Quaestor, Bill Roberts. They were installed by the candlelight service.

At the second meeting the new members performed an exceptionally amusing initiation, which proved that Latin is far from being a dead language. A public initiation was given the following day.

The other meetings were also very interesting under the guidance of Miss McDonald.

Orchestra

The "sweet" music Mr. Smith hears Mondays during fourth hour is the classical numbers being played by our orchestra. Rehearsals are twice a week—Monday, fourth period and Thursday evening.

The latest novelty is having the members conduct the orchestra. Each member has a chance to conduct and those who are interested, practice until they are adept at it and can conduct very well. We have possibilities of a few great conductors. Of course no one has yet been able to excel Miss Haslanger.

The orchestra presented several selections before both the Junior and Thalia-Ag plays. At Commencement the orchestra gave the Seniors a final send off with its stirring music preceding the rest of the Commencement exercises.

Officers elected this year are: President, J. Tinkham; Secretary and Treasurer, J. Schilstra; Librarian, L. Risteen; and Student Council Representative, G. Howard.

Our

Our band took first (Class A) in parade and sight reading and second in concert at the Richland Center festival last spring. The band made a very fine appearance in its new uniforms of royal blue and gold. The majorettes wore their new uniforms of white and gold and their new boots and shakos.

The Christmas concert featured the service songs of most of the branches of the armed forces. The new majorettes are M. Poole, M. Rachor, and M. Reul. The other four are M. Felgen, M. Mandt, M. McGilvra, and J. Schult.

A

The A Cappella choir is an organization of which our school should be proud. Last year the choir received a first place rating at the music tournament, and again this year they were featured in the Christmas concert which was effectively and beautifully given. The boys and girls work hard and long, but their efforts are amply rewarded by the enthusiasm which their appearances receive.

The thirty-six members are chosen from the boys and girls glee clubs and no one is eligible for A Cappella unless he or she is from one of those groups. They meet every Monday and Wednesday during the sixth period under the capable direction of Miss Haslanger.

The choir is organized around the following officers: President, George Howard; Vice President, Mary Greenhalgh; Secretary, Phyllis Zimmerly; Student Council Representative, Carol Hirschinger; and Librarian, Betty Stanley.

C. Hirschinger, M. Kohler, J. Harnish, J. Wettstein, G. Austin.
M. Harvey, D. Kartack, B. Bartholomew, L. Marquardt.

Boys' and Girls' Glee Clubs

Our own future Lawrence Tibbetts, in other words, the Boys' Glee Club, hold their rehearsals every Tuesday and Thursday during the home room period. While no officers were elected, the organization is a large and active one. The first public appearance of the club this season was the Christmas concert.

The Girls' Glee Club, or the WAVES who top the High C's, practice every Tuesday and Thursday after school. The officers who were elected are: President, M. Greenhalgh; Secretary, M. Mandt; Treasurer, C. Harmel; Librarian, J. Harnish; and Student Council, B. Stanley. This organization is one of the most popular extra-curricular activities among the girls. In the beautiful Christmas concert, the girls sang several lovely numbers. Choice voices from both clubs make up our A Cappella.

First Row: D. Puttkamer, K. Osborne, L. Schaefer, E. Hinz, D. Jackson, D. Schanke, R. Hein, O. Collins, D. Rau.
Second Row: D. Dieter, B. Hugo, S. Van Orden, R. Stanley, D. Posen, C. Kirchstein, W. Kaney, Miss Haslanger.

Dearest Muggs!
Guess who I am?--Absolutely. This pen is terrible but I don't have to read it so I don't mind. Well all I'm going to do is remind you of things. First off the (1111) and (Ξ) ball game. We had lots of fun afterwards too. Remember how in the beginning of the year resolved to do my own work and about two weeks later it was "Muggenis Lam this done" a "Tom about Jean anthing not to copy just for class discussion". Whew!! what would I do without you? Then orchestra when we had around SQUEAK! PEEP! BANG! !!!! Oh, yes, & the hour on Wednesdays CANDY BARS AND NOISY PAPERS !! Haven't we had fun in Glee Club? I am dull but Jean has made it very exciting!! I don't mean maybe!? Don't forget the spats and chats over "refreshment" in Thompson's and Schultzi. Lately we've had lots of fun at work (or common post--Alma) she's OK. but thinks she owns the place.) Maybe if we all work there we won't drift apart WATER like we have other summers. I hope the "inseparable three" never do loose each other but always and always remain the best of friends. Remember when we had cream instead of milk at the Broadway?

The first I knew you was in violin and then every time we saw each other Saturday Nights we'd shyly say "hi". Then in Seventh your seat was in front of me and you were always teasing me about that "Richard". Then in all the rest of our years I've liked you better all the time & it's still growing. I don't know much else to say but keep up the good work and I know you'll make a good "Math" teacher. When you are one I'll study under you and do my Theorems all by myself. Good luck and my best of best wishes go with you. Sincerely in the mood now but will add more later.

Dear Muggs,

I don't know how I will ever be able to thank you for all the help in History. It was certainly a big help. So thanks loads. And best of luck to a grand girl who really deserves a lot. (Don't let Mr. Smith see this)

Love,
